Senior Accountant

Description

At KN Advisors, we are a leading business consulting firm focused on helping organizations enhance their strategic decisions, streamline operations, and improve financial performance. Our expert team collaborates with clients from various industries to provide actionable insights, guiding them toward greater success. We are looking for a highly motivated and skilled Financial Planning & Analysis Consultant to join our team and work closely with our CEO to deliver financial insights that drive client success.

The resource will be responsible for coordinating with multiple clients, obtaining and analyzing financial forecasts, preparing detailed financial statements, and providing actionable recommendations for improving financial performance. You will work directly with the CEO and be part of a dynamic team that provides invaluable support and strategic advice to our clients.

Experience

12 to 18+ years
