Senior Account Executive

Description

At KN Advisors, we are a leading business consulting firm focused on helping organizations enhance their strategic decisions, streamline operations, and improve financial performance. Our expert team collaborates with clients from various industries to provide actionable insights, guiding them toward greater success.

The General Manager Accounting will be responsible for overseeing end-to-end accounting operations, ensuring regulatory compliance, and driving financial insights that support business strategy.

The role demands close collaboration with cross-functional teams to ensure alignment between financial objectives and operational execution.
